The Basics

What is Cuba Coffee Hour?

Cuba Coffee Hour is a casual and impactful way to introduce your friends, family, or small group to the mission of Proclaim Cuba. Through a guided evening of hospitality and heart, guests will learn about Cuban culture, make authentic Cuban coffee, and discover how the gospel is transforming lives on the island.

You don't need to be an expert on Cuba—**Proclaim Cuba provides everything you need** to create a meaningful experience.

Why Should You Host?

- **Educate:** Provide insights into Cuba's rich history, culture, and current challenges.
- **Engage:** Foster meaningful conversations about faith, community, and service.
- **Empower:** Encourage guests to support and participate in Proclaim Cuba's mission.

What does Proclaim Cuba Provide?

- **Presentation & Talking Points:** A short, engaging presentation that shares the heart, vision, and impact of the ministry.
- **Cuban Coffee:** We'll bring you authentic Cuban espresso, made in front of your guests, and all of the necessary additions to give your guests a great evening!
- **Custom Marketing Materials:** Our team can help provide digital invitations, social graphics, and customizable templates for email & text invites.
- **Authentic Decor:** Touches of Cuba! We'll provide small elements (like a flag, coffee decor and much more) to bring the flavor of Havana to your table, as well as some printed materials that will give your guests more information about the ministry.

What is Your Role?

1. **Pick a date + location** (your home, church, or local meeting spot).
2. **Invite your people** – we'll help with a sample message, text, and social post.
3. **Set the tone** – create a warm, welcoming atmosphere.
4. **Follow up** – provide guests with info on how they can give, pray, or go | collect emails to give to the Proclaim Cuba team for additional follow ups!
